

# **"Refrigeration and Air Conditioning" index, 1978**

This index covers only the main feature articles, application studies and case histories published in "Refrigeration and Air Conditioning" during 1978.

	Month	Page		Month	Page		Month	Page
<b>A</b>			<b>G</b>			pressors ... ..	Sept	54
A four heat pump system for working men's club ... ..	Oct	86	German additions a boost for Willison market objectives ... ..	Dec	44	Dynamic performance of a residential air to air heat pump ... ..	April	39
Air conditioning at a catering college ... ..	March	31	Gold mine cooling — Surface plant for ... ..	Dec	43	Energy effective windows ... ..	Oct	54
Air conditioning for a 600 ft. tower block ... ..	Feb	65	<b>H</b>			Environmental comfort and productivity	July	39
Air conditioning for a SavaCentre ... ..	July	34	Heat pump installations — Design considerations for ... ..	Dec	32	Export heating and cooling equipment — with special emphasis on the Middle East ... ..	July	39
Air conditioning industry grows up ... ..	April	32	Heat pump system for working men's club ... ..	Oct	86	Fans ... ..	June	73
Airedale expanding again as business develops ... ..	Jan	40	Heat pump — The history and the development of the ... ..	April	79	Guide to US reference materials ... ..	Sept	54
Australian developments in solar air conditioning ... ..	June	30	Heat pumps — Controls for ... ..	April	120	Heat exchanger selection guide ... ..	Sept	54
Automated air chilling of poultry ... ..	April	113	Heat transfer — Influences of ... ..	Feb	55	Heat transfer in food processing plant and equipment ... ..	Oct	54
<b>B</b>			Help for small businesses ... ..	Dec	74	Heating, ventilating and air conditioning — analysis and design ... ..	Feb	72
BOC — £1½m. cold store opened ... ..	July	58	C. Hemmings and Co. supplement ... ..	Sept		Money for business	Aug	42
BRACA lunch ... ..	June	55	HEVAC exhibition — preview ... ..	March	39	NCSF Year Book ... ..	Feb	72
BSRIA annual general meeting ... ..	June	76	HEVAC exhibition — review ... ..	May	48	Noise criteria for buildings ... ..	Sept	54
<b>C</b>			HEVAC export awards	June	41	Principles of Refrigeration ... ..	Dec	52
Catering college air conditioning ... ..	March	31	HEVAC strides to a bright future ... ..	Oct	42	Refrigeration at sea	Aug	41
Chilled sea water systems for the preservation of fish ... ..	April	55	Hospital mechanical services — Total energy for ... ..	July	30	Refrigeration science and technology — volumes 37, 38, 39 and 41 ... ..	Dec	52
Compressors — The design and operation of industrial ... ..	May	31	Hotelympia exhibition — review ... ..	May	39	Simplified analysis of thermal and lighting characteristics of windows: two case studies ... ..	Oct	54
Condensation of refrigerants inside horizontal tubes ... ..	Dec	63	<b>I</b>			Terotechnology handbook ... ..	Aug	42
Controls for heat pumps	April	120	IDEA exhibition — review ... ..	June	89	Thermal analysis, human comfort, indoor environments ... ..	Aug	42
Cook — freeze for Leeds schools ... ..	Oct	79	Institute of Refrigeration dinner ... ..	March	111	Wärme pumpen ... ..	July	36
Craig-Nicol cases matching up to European requirements ... ..	Aug	46	Insulation — Recent advances in rigid urethane foams for ... ..	Jan	56	Water: the universal solvent ... ..	Aug	42
CSIRO seeks cost and energy saving comfort	April	31	Insurance: Capital transfer tax ... ..	Dec	80	Welding safety ... ..	Sept	54
<b>D</b>			Cold store cover ... ..	Feb	68	Window blinds as a potential energy saver — a case study ... ..	Oct	54
DES future — bright and rosy ... ..	Feb	30	Crisis cards ... ..	Jan	68	<b>Literature: Trade</b>		
Design considerations for heat pump installations ... ..	Dec	32	Extra insurance protection ... ..	June	93	British Sun Oil — oil requirements for refrigeration units ... ..	Aug	68
Dunham-Bush — New chief looks to production efficiency to match business prospects ... ..	Jan	36	Extra motor insurance	Aug	86	Investing for retirement		
<b>E</b>			Liability risks ... ..	May	93	Edwards High Vacuum — vacuum measurements and process control instrument data ... ..	Dec	76
Electromanometer evaluation technique ... ..	Sept	30	Mitigating capital transfer tax ... ..	March	100	Film Cooling Towers — repair and maintenance services ... ..	Oct	58
Electronics and refrigeration — partners for life? ... ..	Oct	30	Pension improvements	Feb	84	IMI Valve Services — repair and service facilities ... ..	June	73
ESCA concept — not for us, says RUAG ... ..	May	28	Pension supplements	July	85	Industrial Acoustics — noise control case histories ... ..	Sept	64
Exeter aims at £1m. turnover this year ... ..	June	61	Planning for a pension ... ..	Oct	88	Industrial Acoustics — services offered by Acoustic Consultancy Service ... ..	Aug	68
<b>F</b>			Interior temperatures for railway carriages ... ..	Sept	84	W. H. O'Gorman — services offered by Industrial Refrigeration Division ... ..	Aug	68
Fabric quality — Liquid nitrogen aids ... ..	Sept	83	It's a confused industry	April	44	Petter Refrigeration — transport refrigeration units ... ..	June	73
Fish preservation — Chilled sea water systems for ... ..	April	55	<b>L</b>	March	34	Shell Composites — guide to coatings, sealants and adhesives ... ..	Oct	58
Food refrigeration — New perspectives in ... ..	March	87	Legal ... ..	Jan	67	Shell Composites — insulation products and systems ... ..	Aug	68
Food storage — is it really understood ... ..	Sept	32	Liquid nitrogen aids fabric quality ... ..	Feb	82	Shell Composites — bitumen emulsions data ... ..	Nov	58
For weathermaker dealers, French without tears ... ..	June	50	Literature: Books	March	115	Sulzer Bros. (UK) — mechanical services		
Frozen food display — a glass door fronted display and storage installation ... ..	Feb	42	A new look at windows ... ..	April	127			
Frozen liquids and pastes — forming them into convenient briquettes ... ..	March	71	Air curtains ... ..	Oct	92			
			Building services for sports buildings and ice rinks ... ..	Nov	66			
			Calibration of time response of thermometers ... ..	Dec	83			
			Chemicals in ships ... ..					
			Computers for building services ... ..
